

Description:

- **Vehicle:** 1998 Mustang Cobra

- **Style:** Convertible
- **Color Ext:** Laser Red
- **Color Int:** Saddle and black
- **D.O.M.:** March 1998 in Dearborn Michigan
- **Owner:** James Spareberg
- **Member:** Mustang Club of America – San Jose Mustangs

It was originally a corporate car owned by the Ford Dealership in Crawfordsville Indiana, Then sold through the Auto Nation Network by a BMW dealership in Fremont CA to me in March of 2021 with a whopping 63499 miles on the clock.

Upgrades:

- KNR filter (from original owner)
- Sequential Turn Signals
- New headlights (the old ones looked more like the Marin hills than headlights)
- New Floor Mats
- New set of Continental tires (The old ones were 12 years old, not good)

Other than that, the vehicle is stock, with scheduled replacement of shocks and bushings in the near future.
